### A stylish, one-piece, continuous hinge.

Taking full advantage of the latest advances in new materials and manufacturing technology, Centaflex™ is a well-designed hinge offering many advantages over conventional continuous hinges.

- Flexible resin comprising of a patented blend of polyester elastomers combining the high strength of engineering resins.
- Excellent flex-life at temperatures ranging from -40°C to 50°C (-40°F to 122°F).
- Extremely strong and resilient hinge
- Durable – tested to over 50,000 operating cycles
- Secure – interlocking profile when closed
- Maintenance free
- Aesthetically pleasing – Low exterior profile
- Concealed fixings
- Easy to fit
- Weather-proof seal
- Corrosion resistant
- U.V light stabilised
